

TECHNICAL DATA SHEET

MKP seed mix „WILDFLOWER MEADOW“

Osivo kvitnúca lúka pre biodiverznú zelenú strechu 500 g, 1 kg

A unique composition of undemanding, colorfully flowering annual and perennial plants for green roofs. The mixture includes over 30 species of flowers, herbs and grasses.

A mixture of flowers together with properly selected dry-loving grass species creates a colorful flower meadow.

The flowers have been chosen to please the eye throughout the growing season - from early summer to late autumn.

The maximum plant height is 90 cm, which allows you to create a visible exposure of the green roof.

It is recommended to mix the seeds with GREENFOND roof substrate to protect against leaching and blowing.

Product characteristics:

- a mixture of flower seeds, herbs 75% and grass 25%,
- intended for extensive green roofs,
- seeding: IV-VI,
- flowering: June-October,
- spreading standard: 1 kg / approx. 100 m²,
- plant height: 5 - 90 cm,
- recommended substrate thickness min. 8 cm.

TECHNICAL DATA OF THE PRODUCT

Product type	mix of flowers and grasses
Product type	wildflower meadow
Package	bag

FLOWER SPECIES

<i>Adonis aestivalis</i>	Summer pheasant's-eye 40 cm
<i>Achillea millefolium</i>	Yarrow 60-80 cm
<i>Allium schoenoprasum</i>	Chives 25 cm
<i>Centaurea cyanus</i>	Cornflower 60-80 cm
<i>Centaurea jacea</i>	Brown knapweed 30-80 cm
<i>Chrysanthemum leucanthemum</i>	Oxeye daisy 30-60 cm
<i>Coreopsis tinctoria</i>	Plains coreopsis 30-50 cm
<i>Dracocephalum moldavica</i>	Moldavian dragonhead 30-50 cm
<i>Dianthus carthusianum</i>	Carthusian pink 50 cm
<i>Dianthus plumarius</i>	Garden pink 30 cm
<i>Dianthus deltoides</i>	Maiden pink 15-30 cm
<i>Gypsophila elegans</i>	Showy baby's-breath 30-50 cm
<i>Echinacea purpurea</i>	Purple coneflower 80-90 cm
<i>Echinacea paradoxa</i>	Yellow coneflower 80-90 cm
<i>Lavendula angustifolia</i>	English lavender 50 cm
<i>Linum usitatissimum</i>	Flax 60 cm

TECHNICAL DATA SHEET

MKP seed mix „WILDFLOWER MEADOW”

<i>Linum grandiflorum rubrum</i>	Red flax 45 cm
<i>Linum perenne</i>	Blue flax 50 cm
<i>Lotus corniculatus</i>	Bird's-foot trefoil 40-60 cm
<i>Onobrychis viciifolia</i>	Sainfoin 40-70 cm
<i>Nigella damascena</i>	Love-in-a-Mist 50 cm
<i>Nigella sativa</i>	Fennel flower 40 cm
<i>Papaver rhoeas</i>	Common poppy 30-80 cm
<i>Plantago lanceolata</i>	Ribwort Plantain
<i>Saponaria ocymoides</i>	Rock soapwort 30-80 cm
<i>Salvia officinalis</i>	Common sage 20-40 cm
<i>Sanguisorba minor</i>	Salad burnet 60 cm
<i>Thymus vulgaris</i>	Garden Thyme 30 cm
<i>Thymus serpyllum</i>	Breckland thyme 5-15 cm

GRASS SPECIES

<i>Agrostis capillaris</i>	Common bent up tp 70 cm
<i>Festuca ovina vulgaris</i>	Tall fescue 70 cm
<i>Festuca rubra</i>	Creeping red fescue 30-50 cm
<i>Festuca rubra</i>	Red fescue 30-70 cm
<i>Festuca arundinacea</i>	Sheep's fescue 15-50 cm
